PRODUCT DESCRIPTION

The AK-47 is a light and durable quad-rail polymer handguard system for the AK 47 platform. It enables four picatinny rails for mounting of reflex sights, foregrips, bipods or any other 1913 picatinny based accessory.

Advantages:

- Enables four 1913 MIL-STD picatinny rails
- Provides a secure platform for reflex-sights and lasers attachment
- Tested under extreme conditions, will not melt or deform
- Durable and lightweight construction
- Quick & easy installation, replaces the original handguard
- No gunsmith required
- Constructed from fiberglass reinforced polymer composite
- Available in black, olive drab green or flat dark earth

Compatibility:

AK47 / 74 variants
