PRODUCT DESCRIPTION

The M4 SVD SB is a combined folding and collapsible buttstock system with shock absorbing mechanism and ergonomic pistol grip made for improved trigger operation, ergonomics, and overall performance of the Dragunov Sniper Rifle (Snayperskaya Vintovka Dragunova).

Advantages:

- Side folding and collapsible design with 5 length options
- Silicon-chrome alloy spring based shock absorbing mechanism built in to the tube
- Push-button side folding mechanism and spring based locking in folded position for secure and efficient operation
- Durable and lightweight fiberglass reinforced polymer and aluminum construction
- Rubber butt pad enhances stability and reduces recoil
- Water proof anti rattle storage compartment for two CR123 or AA batteries
- Provides clearance for trigger when in folded position
- Improved maneuverability and muzzle control
- Right-folding mechanism by default, can be preordered in left-folding configuration
- Quick and easy installation with two screws (provided) no Gunsmith required
- Non-slip finger grooves and backstrap shape improves trigger operation
- Integral storage compartment for batteries or cleaning kit in the grip
- Quick-Detach sling swivel sockets on both sides
- Available in black, olive drab green or flat dark earth

Compatibility:

Dragunov Sniper Rifle (Snayperskaya Vintovka Dragunova).
