## PRODUCT DESCRIPTION

The VFR-AK Aluminum Rail System provides a full-length picatinny mounting solution for your AK-47 optics and all other picatinny based devices.

### Advantages:

- Full length upper rail allow optimal use of scopes, night vision or reflex sights
- Precision machined from 6061 T6 Billet aluminum for maximum strength
- Matte black hard anodized Coating for wear resistance
- Four 1913 MIL-STD picatinny rails allow installation of any picatinny based accessory
- No Gunsmith required, replaces the original handguard and bolted on the rifle
- Tested Under extreme conditions, maintains zero-retention
- Narrow and slim design for enhanced handling
- Extremely durable structure, most reliable platform available for the AK / AKM
- Unique design allows use of the original sights when optics are not mounted

### Compatibility:

AK 47, AKM 74 and variants.
