PRODUCT DESCRIPTION

The VFR VZ Aluminum Rail System is a top quality, extremely durable quad-rail system for use of picatinny based optics and a large variety of mounting solutions.

Advantages:

- Perfectly aligns with the receiver
- Precision machined 6061 T6 Billet hard anodized aluminum for maximum strength and durability
- Quad 1913 MIL-STD picatinny rails for versatile accessory applications
- No gunsmith required
- Simple installation, replaces the original handguards, firmly secured on the rifle by 4 bolts
- Tested under extreme conditions, maintains zero-retention
- Slim size for enhanced grip, handling and maneuverability

Compatibility:

- SA VZ 58
- Not compatible with the Century Arms VZ2008 Sporter
