PRODUCT DESCRIPTION

The new FAB Defense® SKS Chassis system is a complete solution offering an upgrade for the aging SKS platform, with folding & collapsible buttstock system, an integrated magazine release lever and integrated grip and Picatinny rails.

Advantages:

Quad Picatinny rail system- Upper, Lower & two removable side rails

Folding buttstock - Push-button side folding mechanism and spring based locking in folded position

Five QD sling swivel sockets

Large ergonomic pistol grip

Integrated enhanced magazine release lever

Three buttstock options, M4 collapsible, Shock Absorbing or UAS

Durable and lightweight fiberglass reinforced polymer construction
