PRODUCT DESCRIPTION

The Gradus pistol grip incorporates the results of numerous requests by our customers for an ergonomic rubberized grip that will have a relatively straight profile for long range precision shooting and CQB scenarios.

The Gradus was designed with a 15 degree profile and rigorous attention to ergonomics, for a purposeful grip, enabling a comfortable long range session or an intensive CQB drill.

Reinforced polymer core with textured rubber overmold

Designed to relieve pressure on the hand by equally distributing the force applied on the surface of the grip

15 degree reduced grip angle, perfect for precision shooting & CQB

Slim ergonomic design with a curved back strap for enhanced, more comfortable grip

Available with an AR style beaver tail or in a flat configuration (FBV)

Available in Black, Olive Drab Green or Flat Dark Earth

Compatibility:

M-4 / M-16 / AR-15/ SR-25 / AR-10 variants
