PRODUCT DESCRIPTION

The RTS Mobile Wireless Shooting System Kit is the perfect solution for both indoor and outdoor ranges, it is used for rifle and handgun practices, law enforcement, military and recreational training.

Suitable for use with any type of handgun or SMG ammunition, The RTS Mobile Wireless Shooting Range System contains no metal parts, eliminating ricochets. The RTS Target parts are all made from unique high-grade polymers ensuring shooter safety even at point-blank range

Advantages:

- Safe for use in all ranges, including point-blank target practice
- Durable polymer recovers thousands of hits, no ricochets
- Hit counting system included
- Provides effective hit counting solution for up to 9 targets simultaneously
- Lightweight, easy to setup, transport and store
- Perfect for sniper, handgun, and assault rifle training
- Compatible friend / foe figure dressings available
- Available in six target colors: black, blue, green, red, yellow and white
- Operational range: 5 to 450 meters

Included in the kit:

- 9 Complete static targets with sensors & transmitters
- 1 Digital hit-counting display with base & pole
- 2 Remote controls

Notice:

Operational temperature range: 0-50 degrees Celsius
