PRODUCT DESCRIPTION

The PM-G presents a unique solution for the Makarov PM pistols, adding a built-in magazine release mechanism operated by the trigger hand thumb for swift magazine change and extended beavertail design for slide bite protection.

Advantages:

- Replaces the original grip with an improved ergonomic design
- Incorporates a unique built in thumb operated magazine release mechanism
- Enables faster and more efficient magazine change
- Extended beavertail design for optimal slide bite protection
- Built-in safety cord attachment ring
- User installed, no Gunsmith required
- Available in black, olive drab green or flat dark earth
- Also available in the PM-G L version for left handed shooters

Compatibility:

Makarov PM 9x18 Pistols
